PROBE EDUCATION LOCKERS

The leading specialist storage manufacturer for the **education sector**...

**SUPPLIERS TO THE
CONSTRUCTION INDUSTRY**

WHO ARE WE...

Lion Steel is the UK's leading manufacturer of Probe lockers, cloakroom equipment, cupboards, work stations, static and mobile shelving systems. With over 50 years' experience in the storage business and the ethos as a trade only supplier, our range of Probe products have been supplied and installed in many market sectors including Education, MoD, NHS, Police, Retail and Major Industrial Users across the UK and Ireland.

With two manufacturing sites and a distribution warehouse in Cheshire, Lion Steel is flexible enough to produce multiple high volume core and bespoke products for a variety of different projects at any one time.

Our objective is to work collaboratively and build long term strategic partnerships with main contractors, specifiers and FF&E companies.

WHAT CAN WE DO FOR YOU...

At Lion Steel we understand the importance of listening to our customers' needs, understanding their scope of works and offering a solution that is both fit for purpose and within budget. Our knowledgeable staff in each department are highly trained and on hand to solve your storage problems from initial design conception, estimating, experienced technical design assistance, site survey, right through to manufacture, project management, delivery and installation.

Continuous development and the innovation of new products puts Lion Steel in a prime position within the market place to manufacture the highest quality range of lockers and storage solutions whilst consistently delivering value for money.

QUALITY ASSURANCE AND ACCREDITATIONS

Lion Steel also has a fully audited Quality Management System ISO 9001, Environmental System 14001 and Health and Safety Policy 18001.

Our standard lockers have been tested and conform to the requirements of BS 4680 "Standard Duty"

DEDICATED HEALTH AND SAFETY MANAGER

Available at all times to advise on all health and safety matters at both factories and on site. Prepares site specific method statements, risk assessments and O&M manuals.

BIM FILES

BIM (Building Information Modelling) is the digital Representation of the physical and functional characteristics of a building. BIM allows enhanced collaboration of a projects design team and delivers efficiencies, contributing to the overall success of a project. To make the specifying process quick and easy Lion Steel has developed BIM files for all products.

DELIVERY AND INSTALLATION

Our own fleet of vehicles gives us complete control of deliveries and ensures that we are able to give accurate information to our customers. We have an approved network of installation teams throughout the UK all with CSCS cards.

To help simplify the tendering process we are now Constructionline and CHAS accredited.

ZENBOX^{AL} aluminium

Probe Zenbox Aluminium lockers with solid grade laminate doors are the perfect choice for demanding, wet or humid environments such as Leisure Centres, Swimming Pools, Schools, Gyms, Spas, Health Centres and NHS.

ALL ALUMINIUM BODY

This strong, lightweight and corrosion proof material is perfect for areas that may encounter water or high humidity.

ALUMINIUM EXTRUDED FRAME

The frame extrusions add strength and stability to the body and hinges.

HEAVY DUTY HINGES

These heavy duty self-closing hinges are fixed through the doors for maximum strength and durability.

SOLID GRADE LAMINATE DOORS

Super strong and stylish doors available in many contemporary colours.

DESIGNED FOR NESTING

These lockers fit flush together with no unsightly gaps perfect for nesting.

END PANELS TO MATCH THE DOORS

End panels can be manufactured to add on to the end of locker runs or to the side of each individual locker if required.

EXTENSIVE RANGE OF LOCKS

A full range of locks available including **wet area locks** (see pages 50 & 51)

DRY AREA LOCKS

WET AREA LOCKS

LOCKER SUPPORT STANDS - ALUMINIUM

Locker support stands raise lockers off the floor, reducing impact damage and making cleaning easier. Manufactured from 25mm square aluminium section they are ideal for wet environments.

ADJUSTABLE FEET

All support stands come with adjustable feet for sloping floors.

LOCKER STAND PLINTHS

Locker stand plinths are manufactured using 10mm Solid grade laminate (SGL) to match or contrast with the locker doors.

CONCEALED HINGE

SEATS AND STANDS - ALUMINIUM

Colour coded Solid Grade Laminate seat and Aluminium framework form a bench seat in front of the locker, allowing full access to the locker. All units come complete with adjustable levelling feet.

ADJUSTABLE FEET

All seats and stands come with adjustable feet for sloping floors.

LOCKER SEAT PLINTHS

Locker seat plinths are manufactured using 10mm solid grade laminate (SGL) to match or contrast with the locker doors.

SELF CLOSING HINGE

FLUSH FRAME FOR ZERO GAP

SLOPING TOP

Sloping tops are a good way of preventing litter, bags and other items being left on top of the lockers. The sloping top also makes cleaning easier. Sloping tops are essential in hygiene – sensitive applications such as the NHS or food preparation.

OPTIONAL INSET NUMBER PLATES

Request when placing order.

STOCK DOOR COLOURS Body colour will be supplied Silver.

NON STOCK COLOURS Subject to minimum quantity of 30 doors per colour. Hundreds of other colours available from alternative Laminate manufacturers.

SOLID GRADE LAMINATE WITH FIRE CLASSIFICATION AVAILABLE AT ADDITIONAL COST

Tested for spread of flame across its surface and to classify the surface according to the test given in British Standard 476 : Part 7 : 1997. In accordance with the class definitions specified in the Standard, the test results show that the product tested has a Class One Surface Spread of Flame. Other fire classifications are available on request. For fire rated applications please contact your Probe distributor for information. Formica and the Formica anvil device are registered trademarks of The Diller Corporation.

DRY ENVIRONMENT LOCKS

WET ENVIRONMENT LOCKS

These locks are suitable for wet environments and are available on both **ULTRABOX** Plastic lockers and **ZENBOX** Aluminium lockers.

*Included in locker price. Request lock type at time of ordering.
