

# Seating & Benching

Premium & budget cloakroom seating solutions

# Probe

# Benches

Comprehensive range of easy-to-install cloakroom units, with a wide choice of options and accessories, ensuring you will find exactly what you are looking for. All units are available in a choice of five exciting colours to match your interior.

- Hook Bench and Benches are available with three seat heights, Infant, Junior and Senior, making them the perfect solution for schools; whatever age group they teach.
- Frames are constructed from robust 50mm round, thick wall tubing with welded joints for strength and durability.
- Adjustable feet fitted to all floor standing units.
- Cloakroom furniture is suitable for dry environments.

### Beech Solid Timber Slats

All timber comes from suppliers with positive reforestation policies and is supplied from sustainable forests.

### Black Polymer Slats

Manufactured with Active-Coat additive, these food grade slats are also ideal for educational or leisure wet area changing areas.

All frames are constructed from robust 50mm round, thick wall tubing with welded joints for strength and durability

Polymer coat hooks

Choice of frame colours all with ActiveCoat anti-bacterial protection - see **page 4**.

Choice of slats.

Available with optional under seat storage.

All floor standing cloakroom units come with adjustable feet for ease of installation.

A floor bracket is available to allow benches to be securely fixed to the floor.
