

Steel Cupboards

Secure storage for industrial and commercial workspaces

Probe

Lockable storage cupboards for busy working environments

Valuable goods and equipment used in any work environment can be safely locked away in our secure industrial storage cupboards. A versatile and robust range of steel cupboards providing secure storage in the workplace; meeting the stringent requirements of BS EN 14073:2004 (Parts 1, 2 & 3) and BS EN 14074:2004.

Cupboards are all available with a range of internal configurations (see page 5), dependant on whether you require a small amount of larger compartments or several smaller compartments; we have the storage cabinet to meet your needs.

- Vertical door stiffener for added strength.
- 3-point locking as standard.
- Adjustable shelves on a 25mm vertical pitch.
- Shelves carry a maximum of 90kg UDL.
- Semi-concealed hinges.

ACTIVECOAT

All painted components are protected with a powder coating which incorporates ActiveCoat anti-bacterial technology.

Handle is designed for easier operation; allowing the door to close without the key.

Three point locking for secure storage.

Dished top available on half height cupboard.

Standard Cupboards

These strong, robust steel cupboards provide excellent durability and capacity for storage of items within a workplace environment. Whether for use as an office or a factory cupboard; the product is designed to meet your requirements.

Height - 984 or 1820mm	
Width mm	Depth mm
915	505

Security Cupboards

Where valuable and potentially vulnerable materials or equipment are used in the workplace; the need for storage equipment with enhanced security becomes a necessity. Security cupboards benefit from an additional hasp and staple fitting, for use with a padlock (not supplied), as well as the standard 3 point locking.

Height - 984 or 1820mm	
Width mm	Depth mm
915	505

Cupboards for busy working environments

Height - 1820mm	
Width mm	Depth mm
615	505

Vision Cupboards

Vision cupboards show visible items, but do not compromise on security.

Based on the standard all-steel cupboards; with the addition of toughened polycarbonate view panels, set within a steel door (which has an all-round strengthened edge).

Height - 984 or 1820mm	
Width mm	Depth mm
915	505

Slimline Cupboards

The practical solution where storage space is limited. Slimline cupboards provide secure storage in a compact 'footprint' of only 615 x 505mm.

Large Volume Cupboards

As the name suggests, these are the largest of our cupboard range; offering spacious storage for awkward and bulky items.

High quality metal lock operates the 3 point locking system.

Height - 1830mm	
Width mm	Depth mm
1219	457

Storage cupboards

A useful range of smaller, practically sized low cupboards designed for general storage uses.

- 2 point locking
- 1 adjustable shelf

Height - 684mm	
Width mm	Depth mm
450	300

- 3 point locking
- 2 adjustable shelf

Height - 985mm	
Width mm	Depth mm
480	505

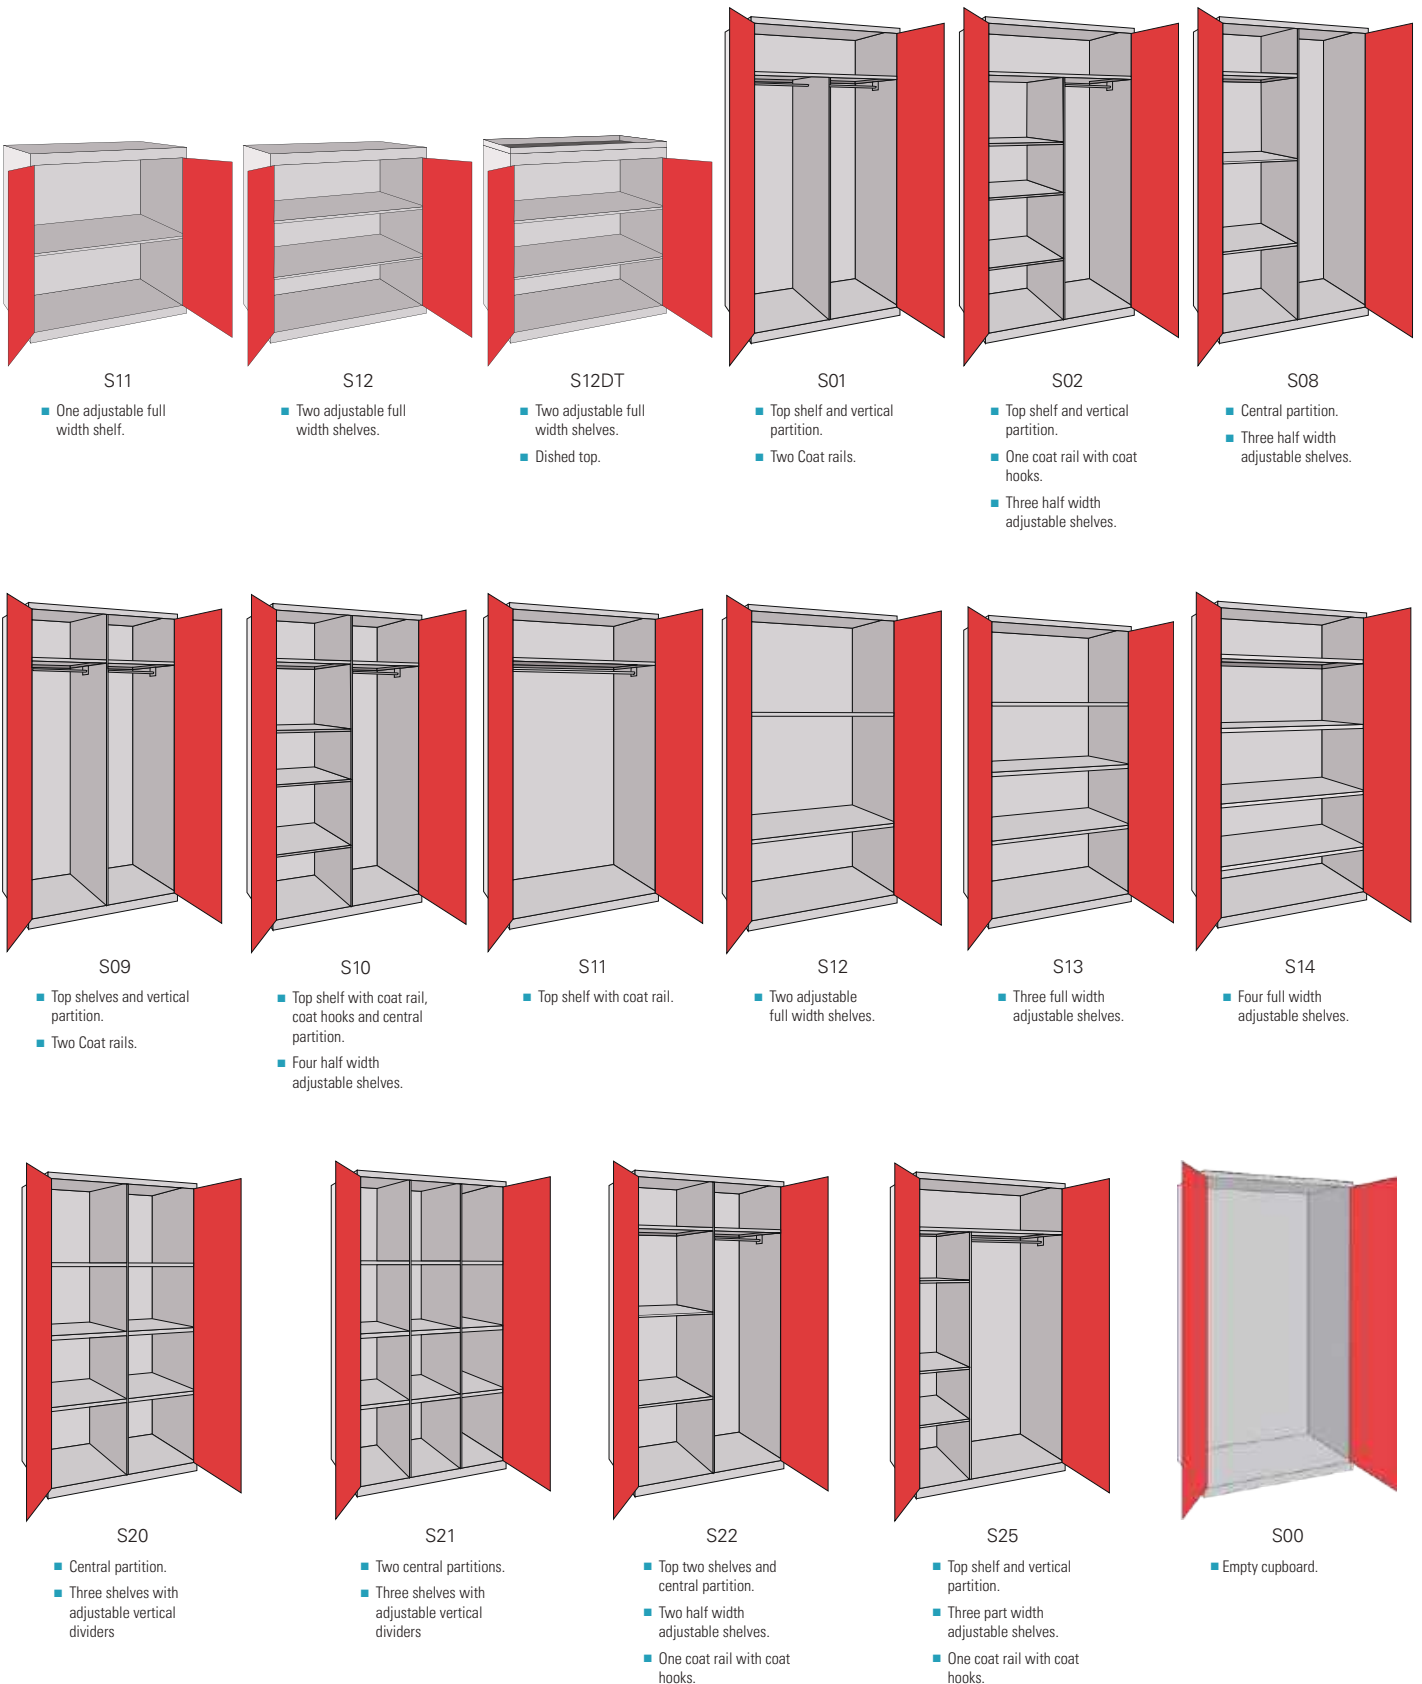

- 3 point locking
- 2 adjustable shelf

Height - 985mm	
Width mm	Depth mm
915	505

Internal configurations

Cupboard Internals

Standard cupboards are all available in the internal configurations illustrated. These offer a range of solutions to meet workplace requirements.

Cupboard colour options and code structures

Colour Options

ActiveCoat antimicrobial technology is incorporated into all our cupboards at the time of manufacture, offering constant protection against a wide range of bacteria.

Body colour range

Choice of 3 body colours.

Standard door colour range

Choice of 7 door colours.

Please note that due to printing restrictions colours represented may differ from original product. We recommend you request a colour swatch before ordering.
